

# The Ripple Effect of Sponsorship

**The Power of Your Journey** Women's Retreat is a weekend of growth and inner reflection for women from all walks of life, all levels of education, all types of professions, and all levels of leadership. "This weekend was life changing," is the way one past participant describes it.

**The Power of Your Journey** has been providing life-changing experiences to women for the past nine years, thanks to the incredible support of our sponsors. Without their generosity, this program would not exist, let alone have the capacity to grow and evolve to meet women's needs. As a sponsor, you have a direct impact on enabling women to access this powerful weekend of self-discovery, inner focus, growth, and transformation. Your support is essential in empowering women to live their best lives.

**"This is the weekend with yourself you never knew you needed."**

(a quote from a multi-year participant)

We rely on sponsorship as the primary means to provide this life-changing experience to any woman. The next page provides all the details you need. There are a variety of options available for sponsorship. Will you consider joining us in empowering women by becoming a sponsor?

**The Power of Your Journey** has the power to ignite courage, strength, centering, and confidence in its participants. Join us in **creating a ripple effect** of transformation and empowerment that ripples beyond measure. The impact doesn't end with the participant. It extends into the very fabric of their families, professions, and communities. By the end of this life-changing retreat, every woman emerges as an even better version of herself, ready to make a positive impact on the world.

It is time to be a part of the **Ripple Effect!**
